“A JOYFUL HEART IS GOOD MEDICINE...” PROVERBS 17:22

We joyfully announce that we have finished construction of the medical clinic. This accomplishment was only possible through the support of our benefactors, as 100% of their contributions were used for this project. To our benefactors we give heart-felt thanks. For full details on the completed construction, see our video on the internet at: www.untoallnations.org and www.jekylladvisers.com/outreach. (Our thanks to esteemed Director, Tommy Thurmond and Jeremy Hollady of Classic City Technology for engineering these links.) This beautiful structure was built to help villagers in the Democratic Republic of Congo who are in desperate need of medical services. We're proud to share these photos with you. Each piece of wood, and every brick represents the gifts and prayers of countless servants who continue to show their love for God and these wonderful people through prayers and financial blessings.

Remember the Chinese proverb: **“Give a man a fish and he eats for a day. Teach a man to fish and he eats for a lifetime.”** Just as Bishop Steven succeeded with the schools mentioned in the video at www.untoallnations.org and www.jekylladvisers.com/outreach, once the hospital is inspected, licensed and given budget resources over a two or three-year period, the doctors and staff are then paid by the Health Ministry. This leverage multiplies your contributions. Gifts are providing the underpinnings of a functioning and well run hospital that will medically minister to surrounding villages. Disease, infant and mother mortality, afflictions of the aging, immunizations and other needs will be tended successfully thanks to our loving and faithful partners. As illustrated below, there are still things to do. Under our banner of “Unto All Nations,” as our friend, Fritz Schaefer said, “May God use this video for His glory.”

THE CLINIC!

Please give this your prayerful support. It may seem as though the needs have no end; yet we must be mindful that the entire idea of a clinic was at one time considered impossible. With God and all of you, just look at what's been accomplished! We ask for you to help continue the miracle; to help minister to a people who never ask, "Why me?" when it comes to the quality of their lives. They love God with all of their hearts, and are grateful for every sunrise and sunset. They do not ask for more - WE DO, because we know how much they need each day. We fervently hope you will partner with us in this endeavor as we move forward to tend to the physical maladies of these beautiful people. Donations are tax deductible and will do so much for so many.

During these times of financial and political change, we want you to be aware of a number of options available that may enable a tax benefit or a way to adequately plan for regular contributions.

Recognition: The Annual Fund Program recognizes those who give \$2,500 or more, so long as they do not object to being recognized.

Private Foundations: The Wilkins Foundation Inc. gratefully accepts contributions from private foundations.

The Wilkins Foundation, Inc. Registry: The Registry carries the names of individuals who have remembered the Foundation in their estate plans.
